The best way to learn to play tennis is to be in small group classes that emphasize correct technique and match play skills. We follow the **USTA Quick Start** program, using racquets, balls, courts and nets that are scaled to the size and ability of the student. This program emphasizes tennis specific skill acquisition, the development of good technique and the ability to play points, which develops tennis skills more quickly. The focus is on learning to play the game from an early age, in addition to good instruction.

Quick Start Classes for 9-11 yrs old

Emphasis on age appropriate ball and racquet skills, court movement, agility training, coordination, an introduction to good stroke technique, tennis related games, and lots of fun. Players can come once or twice a week for a four-week session. Classes are based on age and ability. Each class will focus on developing the age appropriate skills needed to start playing 10U and 12U competitive tennis, including learning how to score and play points. Maximum of 8 students per instructor.

Quick Start Match Days

Play Format for Quick Start players. For this level we have a weekly Match Day every Friday from 4:30-5:30 p.m. Players come out and learn how to play matches with other players using the correct scoring and match format to prepare for **Team Tennis** and tournaments. Match Day is free for students who are enrolled in our junior program. There is a \$5.00 fee for players who are not currently enrolled. The pros will use Match Day to assess players for our Invitational Orange Elite Team.

Family Tennis Courts

For players who are enrolled in our junior program. Families can request a Quick Start court for the 60 ft. court. A supply of orange low compression balls will be available from the front desk. Court fees are \$2.00 per hour for adults (\$2.50 for non-residents); children enrolled in the junior program play for free. Families can make reservations on Saturday and Sunday afternoons. Limited court availability during Team Tennis season on Sundays.
